

# Room Hire at Exeter Young Devon (The YES Centre)

If you're looking for somewhere to meet young people or families, one to one or in a group, Exeter YES is the ideal venue. At the Young Devon building, we focus on improving the odds in favour of young people and families. So if you share our values why not share our space?

The Young Devon Centre in Exeter is open to the public and offers advice, support and guidance on issues including homelessness, health and counselling. We pride ourselves on the quality service we can provide to young people that come to visit and are referred to our team. We aim to be young people friendly.

A Young Devon receptionist will be available to meet and greet your visitors. We have the flexibility to accommodate your specific requirements. For example if a child is present and toys are required; ground floor room for wheelchair access, etc....

The YES centre is ideally situated in the centre of Exeter. There is parking available within five minutes' walk from the centre at NCP, Cathedral & Quay and Mary Arches. Exeter Central train station is a 10 minute walk.
